Reflection**
Child Development Center

VIRTUAL TOUR

**875 South Fry Rd, Katy
TEXAS, 77450**

**Serving the community for
over 30 years from this
location.**

"Our center creates an environment in which children can grow cognitively, physically, emotionally and socially at their own rate"

Safety is OUR NUMBER 1 PRIORITY: We have cameras and two security doors!

Every teacher and child deserves a **GREAT AND SAFE School Experience. That's why we've implemented maximum safety protocols to keep everyone safe and healthy.**

Cómo estimar el tamaño de las porciones

Quantities you can estimate

Encuentra los gramos de carbohidratos: Leyendo las etiquetas nutricionales

How to find grams of carbohydrates

Encuentra el tamaño de la porción. La información sobre la cantidad de carbohidratos se encuentra en la etiqueta de los productos. Sigue en cuenta que los productos contienen información sobre el tamaño de la porción. Usa siempre la información que se encuentra en la etiqueta de los productos. Siempre usa la información proporcionada en la etiqueta para 1 porción.

See calories grams of carbs on the label

Encuentra el número de carbohidratos en la etiqueta de los productos.

Estimating portion sizes

What you can't measure, you can estimate

Finding the carb counts: Reading Nutrition Facts labels

Check serving size information on the label to be sure you are getting the right amount of carbs. Always use the same amount of carbs as the label says. For the package contains 12 servings, the carb count should be divided by 12 to get the carb count for 1 serving.

See how many grams of carbs are in each serving

Decide whether the food is your portion
